SPRING 2010 CONFERENCE

MONDAY, APRIL 5, 2010

Building Student-Centered Standards-based Systems: The Conversation Continues...

The 2010 MCLA Spring Conference offers a focus on Standards-Based Systems at the 6-12 level. Data management software options will be presented in the afternoon.

Morning

We'll be hearing from representatives from Searsport District High School and Troy Howard Middle School who will share aspects of their journey toward implementing standards-based education.

Afternoon

Assessment Data Management systems break out sessions including Pearson Inform, SWIS, and Infinite Campus Cube.

When: April 5, 2010
Where: Hilton Garden Inn, 5 Park Street, Freeport, Maine
Registration: 8:30
Program: 9:00 - 3:00

Participants staying at the Hilton Garden Inn need to mention MCLA to get the conference rate. (Do this before March 5th)
Reservations: 207-865-1433

For more information contact Cathy McCue, cathy.mccue@rsu4.org

Registration Deadline: March 19, 2010

Registrations will not be guaranteed without payment. Space is limited. MCLA members have priority.

We now accept purchase orders or you may enclose check payment with registration form.

To register, fill out one of these forms for each attendee and send it with payment or purchase order to Maine Curriculum Leaders Association, c/o Lee Graham, Treasurer, 511 Farnum Road, Bryant Pond, ME 04219.
